

Pizza Catering

Turning your house into the best pizza place in town.

About

When it comes to Brazilian cuisine, *feijoada*, *churrasco*, and *acarajé* are classic favorites. But did you know Brazilians also have a love for pizza? In fact, pizza arrived in Brazil in the 19th century via Italian immigrants. Carmino Corvino, an Italian *pizzaiolo*, opened the first pizzeria in São Paulo in 1910. While Italian pizza is famous for its dough and sauce, Brazilian pizza is known for its abundance of toppings. At Leonel's Pizza, we offer both! Our special dough and homemade sauce are the perfect base for classic Brazilian toppings. And with our catering service, you can bring the best pizzeria in town to your home for any special occasion – birthdays, weddings, baby showers, or just a fun day with friends.

Service

We want your gathering to be effortless and memorable, so we're making everything easy for you! Enjoy quality time with your loved ones while indulging in **unlimited pizza for two hours**. Our team will arrive **an hour before to set up and prepare, and we'll stick around for an extra hour after to clean up and pack up our station**. All you have to do is savor the delicious pizza and cherish the moments with your family and friends! To streamline serving at your event, we'll prebake the dough at our location. However, we can also bake on-site if preferred. Please note that on-site baking may cause delays, specially for larger groups (over 20 people).
